

MEMBER ASSOCIATIONS 1ST EDITION - JULY Welcome remark

Finally, an easily and conveniently accessible

platform for us to roll out a prized and cherished tool of communicating with each other on the numerous activities going on in our Member Associations is here. I am honoured and pleased to officially launch the 1st edition of the CAF MA Division - Newsletter which will serve as the mouthpiece and eyes of our work. Produced monthly, the newsletter will amongst other things, feature stories from MAs, previewing and highlighting what is happening in our associations and Zones.

Sarah Mukuna **Director Member Associations**

Every Member Association has something to share and show, be it lessons learnt, or strides made on this road to progress that we are all travelling on in the development and strengthening of our beautiful game of football.

How can we learn, appreciate, and applaud the pro-

gress and positive strides from our MAs unless it is

readily available and accessible?

Together we can tell our tales of progress. We can inspire, encourage, and challenge each other to higher standards through the CAF MA Division - Newsletter.

Through your regular and welcomed feedback, may the CAF MA Division - Newsletter, 1st edition and those to follow kickstart an impactful information exchange that will have significant impact on our MA's and contribute towards driving our President, Dr Patrice Motsepe's vision "to make African Football

globally competitive and self-sustaining." **Exciting Journey!**
